

# Prayer Pager Ministry

*Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.*

*Philippians 4:6-7*

Our church has pagers available for church members who are going through a medical crisis (medical treatment, surgery, recovering from surgery, etc) and who are in immediate need of prayer.

The concept of this ministry is simple really...pray and page.

The name and pager number of those who are carrying "prayer pagers" will be listed in the bulletin each week. Please pray as you feel led for the individuals & families carrying the prayer pagers.

Here is how it works:

- Pray for the individual carrying the prayer pager
- Dial the pager number
- You will hear a series of beeps and then you either enter the number 1 or your zip code (whichever you prefer). If you enter the number 1, their pager will display the words "new prayer", otherwise it will display the zip code you entered
- Hang up and the page will go through. When the pager buzzes, they will know someone just prayed for them!

The people carrying the pagers will not know who prayed for them, only that someone, just lifted them up in prayer. Your prayers and pages *will* make a difference to those carrying the pagers.

We are looking for people who will commit to pray for those holding prayer pagers on a regular basis. If you are interested in being part of this prayer team, please fill out this form and drop it in the offering plate or return it to the church office.
